Notes to the consolidated financial statements

3. Significant accounting policies

a) Basis of preparation

The FFTL financial report is a report that reports the Financial position of the FFTL. FFTL's financial statements were prepared in accordance with International Accounting Standards under the Cash Accounting System (Cash Basis), except for the statement of cash flows, and the measurement basis used is historical cost, except for certain accounts that are measured by the regime as described in the respective explanatory notes of this document.

Statements of cash flows presents information on historical changes in cash and cash equivalents entity, showing separately changes during the period from operating, investing and financing activities using the indirect method.

The financial report is presented in American dollars which is also the Timor-Leste functional currency.

b) Foreign currency transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognized in the profit or loss.

c) Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash in bank, other short-term highly liquid investments with original maturities of three months or less.

Cash and time deposits which are restricted in use, are classified as part of "other assets".

d) Accounts receivable and other receivables

Receivables are stated at estimated realizable value after providing against debts where collection is doubtful.

Bad debts are written off during the period in which they are identified.

e) Inventory

Inventories are assets in the form of equipment for use in Federation operations and not for sale.

f) Fixed assets

Items of fixed assets are stated at cost less accumulated depreciation and impairment losses. The cost of maintenance and repairs is charged to operation as incurred; significant renewals and betterments are capitalized. When assets are retired or otherwise disposed of their carrying values and any resulting gain or loss is reflected in the current operations.

The Federation uses a fixed assets depreciation rate of 100% in accordance with Section 36 and Schedule VII of the Decree of Law No. 8/2008 of the Democratic Republic of Timor-Leste.

g) Revenue and Expense Recognition

Revenue relating to annual grants FIFA, AFC and AFF are recognized immediately when they are received subject to any restrictions imposed by the grantor. Revenue from other sources such as donation, gate takings, and registrations are recognized when they have been received.

Expense and all other income is recorded on an accrual basis.

h) Taxation

The Federation is exempt from income tax in accordance with Section 29 of the Decree of Law No.: 8/2008 of Democratic Republic of Timor-Leste.

i) Use of estimate

The preparation of financial statements in conformity with International Financial Reporting Standards (IFRS) that requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of financial statements and the reported amount of revenues and expenses during the reporting period.

Actual results could differ from those estimates.

j) Deferred Taxes

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that there will be sufficient future taxable profit to allow the total or partial use of the deferred tax asset. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable income will allow recovery of the deferred tax asset.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year in which the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantially enacted. on the reporting date.

4. Bank and Cash

Cash in the financial statements position comprises cash at bank and on hand.

For the purposes of the statement of cash flows, cash and cash equivalents consist of cash and cash equivalents as defined above.

The Federation basically has land and buildings.

The land was obtained from a Timor-Leste Government grant in 2006, but the Federation has not yet conducted a Land Transfer Document because there are no regulations relating to it and the value of the land has also not been assessed.

In 2008, the Prime Minister of Timor-Leste, Xanana Gusmão asked FIFA to help the development of football in East Timor by building the FFTL House and Sport Training Center on the land.

The construction contract was agreed at a price of \$ 400,000 for the FFTL House building and \$ 400,000 for the Sport Training Center. However, management cannot provide Minutes of Construction Completion.

Based on the management review, there were no events or changes in circumstances which indicated an impairment in the value of fixed asset as at December 31, 2021 and 2020 are may not be the recoverable.
